

*Building
houses,
building
hope*

28 March 2008

Dear Fellow Habitat Bike Rider:

Our **2nd Annual Ride for Habitat** is three months away (**June 21, 2008**) and we are getting excited in anticipation of its success!

The success will depend on you. Our number one goal is to raise awareness of **Habitat for Humanity** on the South Shore. For \$25.00 you will be one of many riding either a 25 or 50 mile route through some of the towns we serve. The **Habitat** T-shirt you receive upon registration will show your support of **Habitat**.

Next, we need to remember this is a **fundraiser**. We are not requiring that you get \$300.00 in pledges, but if you do, we will have an official **Ride for Habitat** bike jersey and not just a cotton T-shirt!

And, it gets better! For every pledge of \$500.00 and up (in increments of \$500) you will be awarded an REI gift card for 5% of your pledged amount! Both **you** and **Habitat** will benefit from your effort in raising pledges. Also, if you are riding for a specific LPC, and make note of it, they will benefit as well.

We are looking forward to hearing from you!

Best regards,

Ed Martin
Habitat Bike Ride Chairperson
